**\*\*\*At Crystal Valley, we live by the standard that money should never be the issue keeping a student from going on a life-changing trip. We will try our best to support you financially in sending your child on this trip. Since we are a non-profit organization, money is not guaranteed, but we will do what we can to help out. If the money is available, we will follow up with you and communicate the amount in which we are able to help. This form must be turned in by the trip's deadline. By signing this, you agree to let Crystal Valley help sponsor your child by paying at least a portion of their admission to go on the event mentioned above.**
